STUDENTS' FEEDBACK REPORT

For the session 2014-15

Students' Feedback report has been prepared after completion of the session though the feedback from the students was collected at the end of the session. Two feedback forms were distributed to the students, one form exclusively for academic activities and teaching faculties and other form is for administration, library and college premises. About six hundred students were given feedback forms, out of them 500 responded. These 500 students belong to 1st, 3rd and 5th semester of UG BA programme and from all the nine departments of the college.

Analysis:

1. Administration, Library and College Premises:

Table-1

Sl.	Parameters	A	B B	C	D	Tatal
No.		Very Good	Good	Satisfactory	D Not Satisfactory	Total
1	Responsiveness to students' issues by Principal	80%	17%	3%	Nil	100%

9	Cleanliness of College Campus	72%	25%	3%	Nil	100%
10	Drinking Water Facilities	92%	6%	2%	Nil	100%

It is observed from the analysis on administration, library and college premises that in all the aspects, above 70% students have graded with the highest grade very good except cleanliness of the toilet and responsiveness of the library staff. None of the student found to be dissatisfied in any of the above mentioned parameters.

2. Students Feedback on Teachers:

The students were asked to give their Feedback to a teacher who has taught them particular paper and teachers were individually subjected to the feedback on 10 important parameters like Knowledge, Communication Skill, Sincerity, Generation of interest, ability to integrate course, accessibility of the teacher, preparedness to take class, encouraging students participation and helpfulness in advising the students. To keep the secrecy of the feedback and to prevent adverse effect in the internal assessment of the students, the HODs of the other departments are deputed by the academic board to issue and collect the feedback and asked to submit the report to IQAC for analysis and to take follow up action.

From the above mentioned analysis of the feedback submitted by the deputed HODs it is observed that in majority of the cases teachers have been graded as very good and good in certain cases students have graded with satisfactory. None of the students has expressed dissatisfied with the teaching of any teacher.

Action Taken:

- 1. The library staffs have been asked to be very congenial to the students of the college and they are given mandate to work with full spirit to make the library well accessible and a point of student friendly knowledge hub.
- 2. Keeping in view of the cleanliness of the toilets of the college, the matter is seriously viewed and Grade IV employees of the college are instructed to maintain toilets in a very hygienic and clean condition.
- 3. Though, none of the Teachers were in 'Dissatisfied' grade, it has been expeditiously resolved that all the teachers should be very close to the students to cater the requirement of the students and limiting the level to 'good' if not all 'very good'.

STUDENTS' FEEDBACK REPORT

For the session 2016-17

Students' Feedback report has been prepared after completion of the session though the feedback from the students was collected at the end of the session. Two feedback forms were distributed to the students, one form exclusively for academic activities and teaching faculties and other form is for administration, library and college premises. About five hundred students were given feedback forms, out of them 426 responded. These 426 students belong to 1st, 3rd and 5th semester of UG BA programme and from all the nine departments of the college.

Analysis:

1. Administration, Library and College Premises:

It is observed from the above figure that in respect of administration, library and college premises, the students upgraded their grading in all parameters compared to the preceding year.

2. Students Feedback on Teachers:

It is seen from their observation that most of the students of Laluk College are satisfied from the teaching and guidance ability of the teachers. Most of the teachers improve their coordination with the students in different aspects of career upliftment activities of the students. Apart from the

daily class routine, the teachers were taken lots of awareness programmes, different co curricular activities for the betterment of the academic and social life. The students were mostly satisfied by participating in such type of activities and enjoyed their academic and social life in the friendly environment with the teachers. They joined in various field work activities guided by different teachers which boosted their energy to a high level. Lots of awareness programmes were also undertaken by the students in this session. The students invited the teachers to join such type of programmes to inspire them accordingly.
